

Verona Exhibition Centre, Italy - May 9 - 11, 2012

LAYOUT ESPOSITIVO - EXHIBITION FLOORPLAN

SOLAREXPO

■ fotovoltaico e altre tecnologie rinnovabili
PV and other renewable energy technologies

TECHNOLOGY FOCUS

■ PV supply chain

■ solare a concentrazione
concentrating solar power

■ Polygen - cogenerazione diffusa e trigenerazione
distributed cogeneration, trigeneration

GREENBUILDING

■ efficienza energetica e architettura sostenibile
energy efficiency and sustainable architecture

SOLARCH

■ integrazione architettonica del FV e solare termico/architettura bioclimatica
building solar design and technologies/bioclimatic architecture

EVENTI SPECIALI/SPECIAL EVENTS

■ E:MOVE - mobilità elettrica e ibrida
hybrid & electric mobility

■ GREENDOC - alta formazione per la green economy
high-level training in green economy

■ INSTANT SHOWS - i focus tecnologici di Greenbuilding
Greenbuilding technology focus

AREE ESTERNE / OUTDOOR EXHIBITION AREA

A1 PV-CSP sun trackers

A2 mini-windpower

B1 inverters - module cleaning machines

D1 PV carports - greenbuilding area

D2 energy storage
